WEST VALLEY CITY UT 84119-4521

Dear Mr. Nielson:

Your notice to conduct mining related operations on Miller Cove unpatented mining claim, UMC serial number 353132, located in SE $\frac{1}{4}$ , Sec. 12, T. 19 S., R. 14 W., SLBM, was received on June 7, 1993 and has been accepted by this office. Your notice has been assigned case file number UTU-070693. Please use this number in any future correspondence concerning this notice.

In an April 27, 1993 letter you requested permission to extend the 14 day stay out limitation on your unpatented Miller Cove mining claim. You have my approval to extend the stay out limitation on your unpatented Miller Cove mining claim, so long as your occupancy is reasonably incident to mining related activities. Please be informed, apart from the outhouse listed on your notice, no permanent nor semi-permanent structures are authorized and all camp trailers or other facilities must be removed at the time of your departure.

If you change your operation from what is described in your notice, please contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, required by the Richfield District, Warm Springs Resource Area. Please follow these guidelines as they pertain to your operation.

A copy of your notice has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file this notice with them. A copy of your notice has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). Prior to the commencement of the proposed activity, all appropriate state water quality permits need to be obtained from the Utah Department of Environmental Quality, Division of Water Quality, located at:

288 North 1460 West  
Salt Lake City, Utah 84114-4870

A permit for explosives may be required from the Bureau of Alcohol, Tobacco, and Firearms (ATF). The address for ATF is:

125 South State Street  
Salt Lake City, Utah 84145

If ATF requires a permit, a copy of the permit should be submitted to this office.

Acceptance of your notice is contingent on the disclosure of all hazardous materials associated with your operation and their use, storage, transport, quantity, generation and disposal. Information regarding hazardous materials

can be obtained from the State of Utah, Department of Environmental Quality,  
Division of Solid and Hazardous Waste at:

288 North 1460 West  
Salt Lake City, Utah 84114-4880

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation, so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Rody Cox at (801) 743-6811. Thank you for submitting your notice.

Sincerely,

Dave Henderson  
Area Manager
